This new and informative book shares with you a millionaire lifestyle that doesn't require you to be a millionaire. This book details easy-to-implement financial strategies for living like a millionaire on \$25,000 or less. It is not the usual researched and technical, financial management book. The author shares her personal story of losing both parents in her teenage years and graduating from a prestigious university with a college degree and 15 credit cards. The author's dynamic and personal journey from financial disaster to financial freedom is filled with a wealth of savvy business smarts and financial wits. The lessons she learned were shared with clients, friends, and family, giving them a feeling of power, freedom, wealth, and choices. Now, she is sharing her life with you. She injects from her personal experience as an educator, real estate agent, insurance broker, entrepreneur, and investor to write on many diverse subjects. Getting control of her finances resulted in Lisa owning several businesses (including an elementary school), owning investment properties, becoming debt-free, possessing bank and investment accounts, and, most importantly, it taught her to "give." With 1000 copies sold in just under two months, hundreds have been able to begin creating a millionaire lifestyle. It proves that if you BE GOOD TO YOUR MONEY, your money will be good to you.
