出版时间:2006-3-15

装帧:Paperback

isbn:9780674019881

This book is the winner of the Truman Capote Award for Literary Criticism. Amid gloomy forecasts of the decline of the humanities and the death of poetry, Angus Fletcher, a wise and dedicated literary voice, sounds a note of powerful, tempered optimism. He lays out a fresh approach to American poetry at large, the first in several decades, expounding a defence of the art that will resonate well into the new century.
