出版时间:2005-12-09

装帧:Paperback

isbn:9781593760908

Inspired by the ancient Chinese proverb, "There's nothing you can own that can't be left out in the rain," this collection charts the journeys of the poet from 1947 to 1985. This book is unique among Gary Snyder's numerable works, and the poems contained here are as broad in style as the compilation is in timeframe. With a new introduction by the author, *Left Out in the Rain* captures the evolution of the poet and the man. Readers will travel with Snyder from the American West to the Far East. From Berkeley to Kyoto, his imagery provides insight into the natural world as well as the human experience. With the span of a few words, Snyder can reveal a universe and then two pages later deftly handle a villanelle. Sensual, sardonic, meditative, epigrammatic, formalist—whatever the tone or structure, these poems all bear the indelible stamp of a master. Always evocative, they remind us why Snyder is one of our most heralded and beloved contemporary poets.
