Come full circle with 180 new, exciting poems selected and introduced by Billy Collins.

Inspired by Billy Collins' s poem-a-day program for American high schools that he began through the Library of Congress, the original Poetry 180: A Turning Back to Poetry was a gathering of clear, contemporary poems aimed at a wide audience. In 180 More , Collins continues his ambitious mission of exposing readers of all ages to the best of today' s poetry. Here are another 180 hospitable, engaging, reader-friendly poems, offering surprise and delight in a wide range of literary voices—comic, melancholy, reflective, irreverent. If poetry is the original travel literature, this anthology contains 180 vehicles ready to carry you away to unexpected places.
