"These latest poems reach swoony, unforeseen heights of mental raucousness and worshipful style."-Dennis Cooper "With a nod to Woody Allen's story 'The Whore of Mensa' Koestenbaum proffers that largest of sex organs-the mind-and entices with

erudite and smuttily trenchant wit. Charming, teasing, brainy and slightly Seder-Masochistic, this collection asks that age old question, 'is Crisco Kosher?' The answer might surprise you."-D.A. Powell Wayne Koestenbaum has published five books of nonfiction, two books of poetry, a novel, and the libretto for an opera, "JACKIE O."
