

95 Poems

[95 Poems_ 下载链接1](#)

著者:E. E. Cummings

出版者:Liveright

出版时间:2002-8-17

装帧:Paperback

isbn:9780871401816

These two new paperback collections from Liveright include afterwords by the Cummings scholar George James Firmage. In *One Times One*, first published in 1944, Cummings writes in a lyric and optimistic mode, drawing portraits of people dear to him. Remarkable for its vigour and freshness, *95 Poems* was the last book of new poems published in Cummings' lifetime.
