著者:Alexander, Elizabeth/ Brooks, Gwendolyn

出版者:Penguin USA

出版时间:2013-5

装帧:HRD

isbn:9781931082877

Since she began publishing her tight lyrics of Chicago's South Side in the 1940s, Gwendolyn Brooks took her place as one of the most influential American poets of the 20th century, distilling modernist style through the sounds and shapes of a variety of African-American forms and Idioms. Now Elizabeth Alexander, one of our leading experts on African-American literature and culture, presents a sweeping new selection of Brooks's poetry.
