This beautifully crafted edition offers the first, largest, and most complete collection ever of Helen Steiner Rice poems.

From her remarkable body of work, this volume includes nearly four hundred original poems--sixteen of them rare and previously uncollected--and one never-before-published prayer discovered in the Helen Steiner Rice Foundation archives. Included are favorites like "The Praying Hands," "Heart Gifts," and "Tribute to John F. Kennedy."

Organized topically into sixteen parts, this collection features the subjects Helen returned to again and again in her life--from musings on heaven and the beauty in nature to odes of love for friends and family. It's a definitive volume packed with heart and hope for generations to come.
