著者:Stanley Plumly

出版者:W. W. Norton & Company

出版时间:2007-9-17

装帧:Hardcover

isbn:9780393065688

In his new collection, Stanley Plumly confronts and celebrates mortality in the detailed natural world, in the immediacy of the loss of friends, and in personal encounters. Archetypal, sometimes even allegorical, the poems in Old Heart amount to a sustained meditation. The American Academy of Arts and Letters declared of Plumly that "he has in the last thirty years quietly, steadily, expanded the range of lyric poetry in English...[and] reinvigorated our poetry." His ethical rigor and literary modesty combine in Old Heart his finest book of poetry.
