Click here to listen to an audio interview with Paul Mariani This provocative collection of new poems is the latest in a series of Paul Mariani's rich contributions to American literature. These spiritually searching poems develop themes of personal loss - the deaths we experience - as well as the quest for new life often known as tranfigurations. Barry Moser, one of the world's foremost book designers and illustrators, has created a series of original engravings within the text that correspond to the major themes in Mariani's verse.
