著者:Morgan, Edwin

出版者:Independent Pub Group

出版时间:

装帧:Pap

isbn:9781857549188

Containing poems written by Edwin Morgan during the past six years, this collection looks at human life from a variety of perspectives, encompassing a range of themes, the foremost of which is history. This new work displays the author's characteristic willingness to experiment with a variety of subjects, from the history of cancer to the new Scottish parliament.
