Courtney Colvin was nearing the end of her teenage years when the undead apocalypse began. She survived, forsaking her youth and innocence, and five years later she continues to exist--albeit lonely--in the fortified town of Eastpointe. Nightmares and the unwelcome advances of Leon Wolfe are the worst things she's dealing with now in her otherwise mundane life. But when a newcomer arrives in town and claims to know the location of the antidote to the zombie plague, it sends Eastpointe into an uproar. To retrieve this cure, she and a group of other survivors must venture outside the relative safety of the compound's walls and into a world ruled and dominated by the flesh-eating undead. *Twilight of the Dead* puts a new spin on the zombie genre, yet remains true to the classic rules that have already been set forth. A sure-fire reading pleasure for anyone who loves character-driven horror. This Special Edition contains an Introduction by David Moody and three bonus short stories detailing important moments in the lives of other survivors.
