isbn:9780312867683

Like Susan Isaacs, Rosemary Edghill cast a keenly observant, friendly, yet faintly amused eye on an intriguing American micro-culture. Like "The Witches of Eastwick," the Bast novels offer a very new view of the practitioners of a very old faith. Like Alice Hoffman, Edghill allows that there's still magic in the air. Rosemary Edghill's Bast novels are a real treat. "Bell, Book, and Murder" contains all three Bast novels, " Speak Daggers to Her, Book of Moons," and the first softcover edition of " The Bowl of Night "(excerpted in "USA Today").
