Expanding their logging dynasty, the Knight family purchases the Loon Cove lumber mill and Ethan Knight is in charge. But when he causes an accident on his first day, he has to answer to the mill's fierce and outspoken female foreman, Anna Segee. Anna has worked hard to earn her reputation as a competent foreman. Now back in her childhood home of Loon Cove after her birth father whisked her away to Canada for many years, Anna's life is about starting over. But she had a major crush on Ethan when she was young, and Anna can no more ignore the sexy man than she could the mischievous boy
