Who said you can't go home again? In Veronica Davis' case, who'd want to - especially when you hail from Fossil, Washington? But now she's back among the good-ol' boys who think she's fair game just because she's in a waitress uniform. The truth is, Veronica's the boss - at least until she can sell the family saloon and skip town again as fast as her feet can carry her - and nobody knows that better than Cooper Blackstock. From behind the bar, the ex-Special Forces Marine sees all. And his undercover agenda has made the feisty boss-lady's troubles his own. And her troubles are considerable, what with a family in turmoil, a psuedo-bartender with dangerous secrets, a murder investigation, and death threats. Though the town surprisingly rallies in support, it's still a good thing that Cooper will be there to catch Veronica if she stumbles - if he doesn't start falling himself.
