Is the "Holy Pail" cursed? Every owner of the vintage Chappy Wheeler lunchbox-a prototype based on the 1940s TV western-has died. And now Sterling Price, business tycoon and a client of Odelia Grey's law firm, has been fatally poisoned. Is it a coincidence that Price's one-of-a-kind lunch pail-worth over thirty grand-has disappeared at the same time?

Treading cautiously since a recent run-in with a bullet, Odelia takes small bites of this juicy, calorie-free mystery-and is soon ravenous for more! Her research reveals a sixty-year-old unsolved murder and Price's gold-digging ex-fianc?e with two married men wrapped around her breasts . . . uh, finger. Mix in a surprise marriage proposal that sends an uncertain Odelia into chocolate sedation, and you've got an unruly recipe for delicious disaster.
