The sold-out sensation is finally collected! Optioned in a five way studio bidding war by Universal Pictures, Talent tracks Nicholas Dane, miraculous sole survivor of a plane crash. As mysterious men arrive to kill Dane, he discovers he can channel the talents of the victims of the crash! Discover why "Ain't It Cool News" said, "Since the company's inception, Boom! has been creating quite a rumble in the comics world, but with Talent, they're definitely living up to their name. Highly recommended."
