Monsters are roaming the streets of London. Of course, some monsters are scarier than others: Unicorns? No bother. Vampires? Big deal. Werewolves? Ho hum. Lawyers?

...Aaargh! Duncan's boss doesn't think that he's cut out to be a lawyer. He isn't a pack animal. He lacks the killer instinct. But when his best friend from school barges his way back into Duncan's life, with a full supporting cast of lawyers, ex-wives, zombies and snow-white unicorns, it's not long before things become distinctly unsettling. Hairy, even.
