In Hester Browne's "deliciously addictive" ("Cosmopolitan") bestseller "The Little Lady Agency," Melissa Romney-Jones transformed herself from doormat to diva as Honey, London's premier freelance girlfriend. Now, Melissa is about to take Manhattan, and its clueless bachelors, by storm. With the Little Lady Agency doing a booming business back home, Melissa joins her dashing American boyfriend, Jonathan Riley, for an extended holiday in Manhattan. But she's soon out of her depth among Jonathan's hard-charging friends and his interfering ex-wife. And while she's all for shopping and sight-seeing, a covert work opportunity is an irresistible temptation -- a project that soon lands her in the tabloids. Now, a hilarious and heartbreaking chain of events may force Melissa to choose between the man she loves and the unique man-handling business into which she has poured her heart and soul....
