"The Offbeat" is an independent literary series devoted to publishing a diverse collection of voices, and to promoting contact and discussion among Michigan writers. "The Offbeat" is run entirely by Michigan State University undergraduates, and is

centered in East Lansing. Student editors encourage contributions by all individuals with a Michigan connection, past and present, visitor and resident, urban and rural, student and non-student alike. "The Offbeat"'s goal is to provide an alternative literary outlet for all Michigan writers.
