Mystery author Maggie Kelly is getting ready to celebrate her first Christmas with Alexandre, Viscount Saint Just--her once-fictional, now very real sexy hero and boyfriend. But before they can curl up on the couch to watch It's a Wonderful Life, a seriously disgruntled grinch delivers death threats to all the authors who contributed to a mystery collection...a list that includes Maggie. When the brainchild behind the book turns up dead, it's up to Maggie and Alex--with some help from Detective Wendell--to solve a real-life whodunit before the murderer strikes again...
