"Travis McGee is back in action and he is in fine, fine form....What a treat. It is John D. MacDonald's 21st Travies McGee book and, without reservaton, his best."

THE SAN DIEGO TRIBUNE

Searching for a wealthy friend's yacht, Travis McGee puts himself square in the center of the international cocaine trade, and finds himself the target of some of the most ruthless villains he's ever met. Contemplating his own mortality for the first time, Travis McGee discovers amid all the danger the astonishing surprise behind the cat-shaped pipe cleaners someone is leaving at his door. This is vintage McGee in a novel that confirms John D. MacDonald's reputation as one of the greatest storytellers of all time.
