A woman cop. A haunting memory.... The only female detective in the Miami PD's Homicide division, Joe Frye has memories that haunt her, and a past that not even her lover, detective Louis Kincaid, truly knows. It began when Joe was an ambitious rookie cop in a small Michigan town called Echo Bay.... The bones found in the woods were the first clue in a string of unimaginably brutal murders of young women. Plunged into a heated investigation -- and caught between the dictates of a reluctant local sheriff and the state police -- Joe soon uncovers the chilling truth: In the dead of winter in the Michigan woods, she must face down a predator who has chosen "her" as a worthy opponent -- or become his next victim.
