When Jim Qwilleran is sent to 'Maus Haus' on a gastronomical quest, he takes Koko and Yum Yum along for company and steps into a house of curiosities. There's restaurateur Robert Maus, elbow-deep in saucepans; cuddly Hixie with her daily calorie count; and Joy Graham, the red-headed flame from Qwilleran's past and a talented potter to boot. Then strange things occur as a startling scream pierces the night air and Joy disappears without trace. Koko, Yum Yum and their all-providing mentor, Qwilleran, are determined to solve the mystery...
