isbn:9780727875310

The second novel in the Peter and Georgia Marsh mystery series - When young Alice Winters is found murdered close to a ruined medieval tower just outside the remote village of Friday Street, her boyfriend Jake is arrested. That evening a haunting melody is heard which, according to village myth, is played after a miscarriage of justice. The case arouses the interest of investigators Peter and Georgia Marsh, who discover that Friday Street was the scene of another notorious murder in 1968...
