This is a hilarious and heart warming debut novel of big dreams, big days, and even bigger lies...Molly Harrigan has always dreamed of the perfect wedding, she just never thought she'd be in scores of them as the bridesmaid. Now, on her thirtieth birthday - after her younger, married sister announces that she's pregnant - Molly's old dream

takes on an all-new urgency. It doesn't help matters that her best friend Brad drops the bomb that he's engaged to his spoiled brat of a girlfriend. Devastated, Molly does what almost no one in the same situation would do. With a giant wedding fund burning a hole in her pocket (courtesy of her late, beloved grandmother), Molly hires a fiancé. Now armed with the perfect boyfriend, Molly stages a whirlwind courtship, engagement, and grand-ballroom-style wedding. Lying to her friends and family is a small price to pay for cake-tastings, gift registries, and dress fittings. But lying to herself could cost Molly her one chance at true love - with a man whose feet are turning as cold as her own...
