One minute I'm out with my sorority sisters; the next there's a terrible accident (beyond my friend Stacey's outfit) and I'm waking up in some weird clinic transformed into a human cyborg - with a mission: to stop evil and stuff. Uh, hello? I've got a beauty salon to run. Granted, it is cool to run faster than a Ford Mustang when I need to, even if it's totally hard on my shoes. But then, I have to bring in another human cyborg on the run? One who happens to be male, totally gorgeous, smart, funny - and, um, his "enhancements"? - as if!
