Authors Robin Moore and Michael Lennon team up in this exciting new novel to tell the "fictionalized" stories of the men who have risked it all for the U.S.A.: the Green Berets. They take us from firefights on the Cambodian border during the Vietnam War to the streets and alleyways of Iraq today. They teach us what it was really like to patrol the streets of Mogadishu in the days of "Black Hawk Down." They show the horror that was Saddam's Iraq during the first Gulf War. They take us to the moonscape that is Afghanistan in search of the Taliban. "The Wars of the Green Berets" continues the saga of Moore's classic "The Green Berets," revealing more than a few tantalizing secrets and anecdotes for the first time.
