In this thrilling sequel to My Time to Shine, Black makes his long-awaited re-appearance. Fresh out of his self-imposed exile in New York, where he lay low for a minute until the heat cooled off, he reunites with his brothers, Junie and Dee, to handle his business--expanding his drug empire, moving mad weight, and, of course, eliminating whoever gets in his way. Unfortunately these things always come with a price, and for Black, Junie, and Dee it's no different. Ed Mc Nair's latest novel, Black Reign, keeps it real with a roller-coaster-like plot, twisting and turning till the very end.
