Investment analyst Lynn Gregory was used to taking risks. But even Lynn has her doubts when Matt, her best friend and roommate, asks her to participate in a charade to hide his sexuality from his parents. The plan seemed simple enough – Matt would introduce his friend Chris as his fiancé. All Lynn had to do was back up the story. The charade seems to be running smoothly as Chris, the straight woman persuaded to pose as Matt’s fiancé, plays her part well. But as the three are thrown closer and closer together, other tensions arise and Lynn is forced to decide if she is willing to make the riskiest investment of all, an investment in which she may lose her heart…
