Sugar Beth Carey's come back to Parrish, Mississippi, and she's brought her reputation for wreaking havoc with her. She's broke, desperate, and too proud to show it, even with her old enemies lining up for a chance to get even. Her former girlfriends have their eyebrow pencils sharpened into lethal points. Winnie Davis, her longtime rival, is fully armed with the money, power, and prestige that had once been Sugar Beth's. But worst of all is Colin Byrne, the man whose career Sugar Beth had destroyed -- and not exactly accidentally. Now Colin's a famous novelist living in Sugar Beth's old mansion, and this modern day dark prince is using his writer's imagination to figure out how to bring the town's beautiful former princess to her knees. But despite her sassy mouth, feisty spirit, and hardheaded ways, Sugar Beth's no longer the spoiled rich girl they all remember. No, now she's a woman to be reckoned with ... and a great big reckonin' is about to happen, not least of all for one dark prince who might -- just might -- be thinking about falling in love with the wickedest girl in town. Ain't She Sweet? A funny, heartwarming, oh-so-spicy story of love, friendship, and the possibility of happily-ever-after.

how boring

比较虐吧，尽管是HE。女主很坚强，但爱情来得莫名其妙。就是因为大腿长长长？
