In this funny, poignant debut, a plus-size heroine becomes a reality TV show contestant and discovers she's already beautiful enough to be the next big thing.

Kat Larson figured she had nothing to lose by becoming a contestant on the new reality show *From Fat to Fabulous* -except maybe a few dozen pounds. Then she'd finally be able to arrange a face-to-face meeting with Nick, the British hunk she met online, who still thinks she's a size four. She'd finally be confident and graceful and thin-and there's that big cash prize, too, to pay for all those slinky new clothes she'd need. She'd finally have the perfect life.
