Alexis Getty is a flirtatious delivery driver for a package shipping company in Portland, Oregon. Aside from her own sexual exploits - often involving the women she delivers packages to - her world is further complicated with the conquests of her neighbors and friends. Amongst these complex relationships, Alexis is committed to finding the rightful owner of a mysterious package. She knows the package belongs to someone in her apartment complex, though it has no name or apartment number. The quest for the rightful owner will lead Alexis to embrace the fact that she is a play-girl with all the benefits and hardships included therein. Sign on the Line is Jaime Clevenger's first Bella After Dark erotic novel.
