Mix Cellini has just moved into a flat in a decaying house in Nottinghill, where he plans to pursue his two abiding passions--supermodel Nerissa Nash, whom he worships from afar, and the life of serial killer Reggie Christie, hanged fifty years earlier for murdering at least eight women. Gwendolen Chawcer, Mix' s eighty-year-old landlady has few interests beside her old books and her new tenant. But she does have an intriguing connection to Christie. And when reality intrudes into Mix' s life, he turns to Christie for inspiration and a long pent-up violence explodes. Intricately plotted and brilliantly written, 13 Steps Down enters the minds of these disparate people as they move inexorably toward its breathtaking conclusion.
