What if you could live forever? The Fountain is an odyssey about a man's thousand-year struggle to save the woman he loves. In three separate lives—Tomas

the conquistador, Tommy the scientist, and Tom the explorer—Thomas is driven to discover the mysteries of life; all three stories converge into one truth as he comes to terms with life, death, love, and rebirth. The book is an extension of Aronofsky's cinematic vision, and will contain production stills of the film's stars Hugh Jackman and Rachel Weisz, original script, original art, and observations from creators Ari Handel and Darren Aronofsky. Edited by Darren Aronofsky, The Fountain is not so much a tie-in or a behind-the-scenes look at the film, but rather a thoughtful meditation on the film's provocative themes of life and death and its singular visuals.
