出版时间:2006-07-11

装帧:Paperback

isbn:9780312425050

A "New York Times Book Review "Editors' Choice A fevered storyteller and a captive audience revisit the past in both of David Grossman's novellas, trying to make sense of a betrayal that neither one can put to rest. In "Frenzy," a reserved and respectable man draws his sister-in-law into a paranoid conviction---that his wife is having an affair. In the title novella, a successful but embittered novelist delivers a merciless account of her dying mother's love affair with a much younger teenage boy. "Suffused with delirious tension and characters more substantial than in most novels twice its size" ("The Village Voice"), "Her Body Knows" is a disquieting journey into the nature of infidelity and desire.
