isbn:9780312354480

Bobbie Faye Sumrall knows that a day without disaster is a day in someone else's life. Criminals have kidnapped her good-for-nothing brother and are demanding her Contraband Queen tiara--the only thing of her mama's she inherited--as random. So Bobbie Faye has to outwit the police, organized crime, former boyfriends, and a hostage she never intended to take (but who turns out to be damn sexy!), in order to rescue her brother, keep custody of her niece, and get back in time to take her place as Queen in the Lake Charles Contraband Festival (think Mardi Gras, with more drinking and pirates). Luckily, Bobbie Faye knows how to handle guns, outsmart angry mama bears, drive a speedboat, and get herself out of--and into--almost every kind of trouble. If only that pesky state police detective (who also happens to be a pissed-off ex-boyfriend) would stay out of her way . . . "Bobbie Faye is a true original and Toni McGee Causey a true talent!" --Melissa Senate, author of "See Jane Date" and "Love You To Death"" "I love "Bobbie Faye's Very (very, very, very) Bad Day" by Toni McGee Causey. The tears are still running down my cheeks from laughing. Oh, my. What talent. What verve. What NERVE!"--Gayle Lynds, "New York"" Times" bestselling author of "The Last Spymaster"" ""
