Handsome and sensual, surrounded by an aura of danger, mystery, and the forbidden, a lover steps from the shadows. But is he mortal? Or is he an ancient god, a sorcerer, or a mythical beast who can possess a woman's heart...and her very soul?

Four of romance's most popular authors have created this spellbinding collection of stories filled with dark passion and desire. Under the cover of darkness, their heroes inhabit worlds haunted by ageless hungers and deadly forces stronger than any seen by day...and vanquished only by the power of love.

Now travel into realms where dazzling wonders roam the night, where magic replaces reason, and where a kiss unleashes a raging fire in the blood. And here, if you dare, discover the seduction that begins at the bewitching hour when a man and woman partake in..."Midnight Pleasures."
