A Templar treasure for mystery readers An honorable-yet world-weary-Knight Templar solves the mysteries of Medieval England. After eight years of captivity in the Holy Land, Templar Bascot de Marins escapes with injuries to his body and soul. Now on a sojourn at Lincoln Castle, he hopes to regain his strength, and mend his waning faith-but not even the peace of God's countryside is safe from the mortal crimes of man. For what appears to be the grisly end to a drunken row is in fact a cunning and baffling crime.
