Take cover Chester's on the loose again. You first read about Chester, Karalyn and Ajay in Nudist Among Us. Mr. Parker followed that with even more hilarious antics in A Mouse Among Us. Now, he has brought us even more tales of daring, delusion and disaster with Nudist Guy and Yankee Gal. From chasing chickens with manicured toes to the high speed hot pursuit of Cousin Johnny on the backhoe, you will be in stitches reading all about the danger that seems attracted to Chester like metal to magnets.
