From multiple New York Times bestselling author David Morell comes a spine tingling tale of action, suspense, and terror.

On a cold October night, five people gather in a run-down motel on the Jersey shore and prepare to break into the Paragon Hotel. The once-magnificent structure is now boarded up and marked for demolition.

They are "creepers": urban explorers with a passion for investigating abandoned buildings and their dying secrets. Reporter Frank Balenger joins them to profile this highly illegal activity for the New York Times . But he isn't looking for just another story, and soon after they enter the rat-infested tunnel leading to the hotel, he gets more than he bargained for. Danger, fear, and death await the creepers in a place ravaged by time and redolent of evil.

故事慢慢进入..走到旧世界和那个古怪旅馆，一切都有典型欧美悬疑恐怖片的风格，收尾潦草.没有任何显而易见的特色，可以说是欧美蔡骏..
