isbn:9780345461544

From Robert E. Howard' s fertile imagination sprang some of fiction' s greatest heroes, including Conan the Cimmerian, King Kull, and Solomon Kane. But of all Howard' s characters, none embodied his creator' s brooding temperament more than Bran Mak Morn, the last king of a doomed race.

In ages past, the Picts ruled all of Europe. But the descendants of those proud conquerors have sunk into barbarism . . . all save one, Bran Mak Morn, whose bloodline remains unbroken. Threatened by the Celts and the Romans, the Pictish tribes rally under his banner to fight for their very survival, while Bran fights to restore the glory of his race.

Lavishly illustrated by award-winning artist Gary Gianni, this collection gathers together all of Howard' s published stories and poems featuring Bran Mak Morn—including the eerie masterpiece “Worms of the Earth” and “Kings of the Night,” in which sorcery summons Kull the conqueror from out of the depths of time to stand with Bran against the Roman invaders.

Also included are previously unpublished stories and fragments, reproductions of

manuscripts bearing Howard’ s handwritten revisions, and much, much more.

Special Bonus: a newly discovered adventure by Howard, presented here for the very first time.
