Pulitzer Prize winner Suzan-Lori Parks' s wildly original debut novel, *Getting Mother' s Body* , follows pregnant, unmarried Billy Beede and her down-and-out family in 1960s Texas as they search for the storied jewels buried—or were they?—with Billy' s fast-running, six-years-dead mother, Willa Mae. *Getting Mother' s Body* is a true spiritual successor to the work of writers such as Zora Neale Hurston and Alice Walker—but when it comes to bringing hard-luck characters to ingenious, uproarious life, Suzan-Lori Parks shares the stage with no one.
