A Page-Turning Courtroom Thriller By Award-Winning Author Randy Singer. Thomas and Theresa Hammonds believe in tough love and old-fashioned discipline. They do not believe in doctors. When their controversial religious practices lead to personal tragedy, however, the Hammonds face heartbreaking loss, a crisis of faith—and a charge of negligent homicide by a relentless prosecutor. Defending Thomas and Theresa is freewheeling African American lawyer Charles Arnold. Charles believes in grace and mercy. But nothing in his colorful past has prepared him for the challenges of this shocking case, or for the dangerous conspiracy at its heart. Cultures and Lawyers Collide... Teaming with Nikki Moreno, the court-appointed guardian for the Hammonds children, Charles pursues intractable questions. Who is responsible for Joshie Hammonds' death? Will this family's tragedy lead to their destruction? Which will triumph—mercy or judgment? The answers hang on the traitorous testimony of a key witness...and on a dying declaration that will revolutionize the lives of everyone who touches the case.
