"Trilby" tells the tale of a beautiful artists' model and her sinister mentor, Svengali. It is a story of bohemian Paris that is evocative, funny and poignant as it describes Trilby's rise to musical stardom under Svengal's influence.

metropolitanism，后半截gothic，情节一般。人物倒还是都挺有意思的，但我就不喜欢narrator那种亲密地大惊小怪同时又全知全能的语气。还有法语太多，看着累。
