Today's hottest romance stars make it a summer to remember -- with a sizzling story collection for sunny days and steamy nights.... "Under the Boardwalk" "New York Times" bestselling author Linda Howard lures a sheriff into a scorching murder mystery -- and into the arms of a lover from the heart of the South: the wet and wild bayou. Geralyn Dawson traces a precious heirloom -- and heats up a past marriage -- on a secluded Texas island. Jillian Hunter sparks romance off the English coast, when a London beauty in distress is rescued by the very man who could ruin her reputation. Miranda Jarrett ships a rogue pirate back to shore to rekindle a summertime romance. But did his sweetheart wait for him? Mariah Stewart crosses a successful oceanside chef with the man of her dreams -- a P.I. with secrets of his own -- at a vacation spot packed with memories for them both.
