Victoria "Smokey" Simmons stands silently on deck as her father's body is lowered into the Atlantic, asking God for the strength she will need to command the Aramis alone. Not wanting to remain at sea forever, Smokey dreams of the time when she can trade her life aboard ship for a home and family. When she meets another captain, Dallas Knight, Smokey believes her dream will finally come true. But circumstances beyond their control and the schemes of a cunning pirate threaten to destroy this young couple's hope for the future. "Wings of the Morning" carries readers on a tender journey of love in which painful events become lasting blessings in the Father's care.
