Maggie is best buddies with Dominic. Charlie is best friends with Julie. Through the magic of the Internet, they set up their pals on the most romantic blind date ever. Naturally, Maggie and Charlie tag along for moral support-what are best friends for? Yet when the two matchmakers meet, their concerns for their charges take a backseat. As Maggie looks at Charlie, she thinks she feels the earth move. Laying his eyes on his fellow Cupid, all Charlie can think about is kissing her delectable mouth. Shes involved with someone. Hes Manhattans most committed bachelor. What will it take for a pair of modern matchmakers to realize this simple truth: that when it comes to finding a soul mate, true love can be found when you least expect it?
