Regina Cutter is the mother of two grown children and the victim of her husband's midlife crisis. Out of a marriage, an income, and a place to live, she has relocated to Boston's Back Bay where her psychic aunt bequeathed her a townhouse...and paranormal ability. Adjusting to her new middle-class life and taking on a new job as a police psychic, Regina is called upon to help prove the false imprisonment of a drug felon, and end the possible haunting of a recently renovated townhouse. It's quite a long way from bemoaning a broken marriage, and newly minted psychic Regina Cutter is just getting started.
