THE HOLLOW CHOCOLATE BUNNIES OF THE APOCALYPSE is set in Toy City, once Toy Town, but now older, bigger and certainly not wiser. The Old Rich, who have made their millions from the royalties on their world-famous nursery rhymes, are being slaughtered. One by One. Horribly. A psychopath is on the loose. He must be stopped at all costs. It's a job for Toy City's only detective - but he's missing, leaving Eddie Bear to track down the mad killer, with the aid only of his bestest friend, Jack, and a wide cast of truly unforgettable characters. This is a wonderfully funny book from the irreverent, hilarious writer of WEB SITE STORY, THE SPROUTS OF WRATH and The Brentford Trilogy.
